

PRESS RELEASE

The San Bernardino Outdoor Market

Come join us in the Inland Empire at the San Bernardino Outdoor Market. This event has been a Sunday tradition for well over 40 years! It takes place every Sunday at the NOS Events Center in San Bernardino, CA, just off the 10 & 215 Freeways.

Featuring over 700 vendors with an array of the most unusual items in the Inland Empire and over 10,000 buyers! From antiques, arts and crafts, fresh produce, as well as new and used merchandise, this market is sure to offer a complete shopping experience for the young and old alike.

Shoppers at the Market enjoy walking among the rows and rows of vendors, not only to find great bargains and hidden treasures but it's a great place to browse or buy, and to spend time with your family. Shoppers who need a break can sit in the shade and enjoy some entertainment in the rest area located next to our office, or sit in the grass around the lagoon by the front entrance and enjoy a snack or cold drink from one of our 5 snack bar locations.

Sellers at the San Bernardino Outdoor Market have been subsidizing their income and even starting new careers at the Market. To some it's a family affair, with several generations spanning over 30 years of selling here. Vendor, Eva Martinez, sells every Sunday along with her husband, and now they have a 2nd location that their son runs.

Vendor, Tony Morelli, now runs the largest produce stand at the Market. His father Ernie started selling at the Market in 1968 and was a staple until his passing a few years ago. Now Tony and his family run the business. Tony states, "The Market is like a family gathering, every Sunday we come out and have many customers who not only shop, but stop and share stories about my Dad, and how they remember me selling with him when I was 6 years old".

The San Bernardino Outdoor Market is open every Sunday, from 7:00am to 2:00pm and all Parking and Admissions are FREE! You enter the Market through Gate #8 on Arrowhead Avenue.

For future Market dates and more information, contact Canning Attractions at 909-889-9300 anytime or visit us on the web at www.rgcshows.com.

YOU WON'T WANT TO MISS IT!!
